Dyslexia Awareness Month

Each year, October is recognized worldwide as Dyslexia Awareness Month. This is a great opportunity to raise awareness, and share resources and success stories. We at dePaul are excited to join the international Go Red for Dyslexia movement by going red this year, in celebration of Dyslexia Awareness Month 2023, with our very own dress up for Dyslexia week! We invite you to join us for our upcoming dress up days, to show your support and spread awareness. More information will be emailed home soon about this.

Still Enrolling!

At dePaul, we have rolling admissions, which means we accept new students throughout the school year. Help us spread the word about the awesome things happening at dePaul to your friends, neighbors, coworkers, and communities. We want to support and empower as many kiddos as possible! We will be welcoming a new group of students on October 17th. We currently have openings in 1st and 2nd grades. However, please send any and all referrals our way! We want to support and empower as many kiddos as possible!

A note from our Principal

I am absolutely thrilled to continue the role of Principal at dePaul this year overseeing both our Traditional Campus and Delta Campus! It's an incredible honor and responsibility to lead such a dynamic and diverse community of learners. Our school has a rich history of academic excellence and a commitment to nurturing the growth and potential of every student. I am excited to build upon the strong foundations and work collaboratively with our exceptional faculty, staff, students, and parents to create an even brighter future for our school. Together, we will continue to foster a community that empowers our students to reach their fullest potential. I am eager to continue on this journey with you all and look forward to the amazing opportunities that lie ahead at dePaul!
