

2024-2025 Impact Report

Introduction

The 2024-2025 school year at The dePaul School for Dyslexia in Clearwater was a powerful reflection of our mission to support students who learn differently. With expanded programs, growing partnerships, and continued academic success, dePaul remained a beacon of transformation. This year's impact highlights the strength of our community and the life-changing potential of individualized education.

Key Impact Metrics

Total Children Directly Reached:	Total Funds Raised:	Revenue	Expenses
----------------------------------	---------------------	---------	----------

350

\$150,000

\$2.1M

\$1.9M
